

MPT HOSPITAL OBSERVES SANKALP PARVA

India is observing the 75th Anniversary of the Quit India Movement this year which was started on 9th August 1942. Quit India Movement was an important milestone in the Indian Freedom struggle under the leadership of Mahatma Gandhi which brought the people together from across India transcending all barriers with a common mission to uproot imperialism. India will complete 75 years as an Independent nation in August 2022. The five year period from 2017 to 2022 gives us an opportunity of 'Sankalp se Siddhi' - Attainment through Resolve, towards a New India.

The Medical Department of the Mormugao Port Trust under the guidance of Dr. Nimish Pillai, Chief Medical Officer, observed 'Sankalp Parva' or the Day of Resolve, on 30th August 2017 in the Conference Room of the hospital. Dr. Hema Mayekar, Medical Officer gave a brief talk on the Quit India Movement and its importance. She also spoke about the call given by the Hon'ble Prime Minister Shri Narendra Modi, on the Sankalp Mission. A Pledge for building a New India was collectively taken in Hindi and in English by the staff of the hospital.

The theme for the mass movement during the five year period from 2017 to 2022 when India will commemorate 75 years of our freedom is 'Sankalp se Siddhi' – Attainment through Resolve.
